## WELCOME TO THE 2022 ANNUAL PROGRAM!

2022 is well-underway, and we are almost half-way through our 50th Anniversary celebrations, marking Flying Arts' half-century of delivering visual arts projects and services to regional and remote Queensland. Each year we aim to improve our offerings and this year is no different, with a full program of opportunities and professional development for artists and artworkers of all ages and levels; educators and teachers in many contexts; and a smorgasbord of activities for galleries, schools, councils, and community organisations. Each year our programming endeavours to respond to your feedback and requests, along with the trends we observe in the sector.

After the success of our first digital program in 2021, we are once again bringing you our exciting program through the wonders of modern technology and doing our little bit for the planet as well. Check out our full suite of programs and services here online or download and print pages of interest at your leisure.

Flying Arts programs offer multiple ways to engage with, learn about and experience the visual arts and regional arts. This might be a one-off workshop in a remote location, a curriculum project in a small school, a custom professional development workshop, webinar, consultation, or weekend intensive, applying for a grant through the Regional Arts Fund or by entering artwork in the Queensland Regional Art Awards for a chance to tour to other locations across Queensland. We support professional practice in many ways including our Memberships and their associated benefits.

In the coming months we will be uncovering more locations in *Flying Arts: Paint the Town virtual town experience*. We will also be launching our *Here for 50 Years, Here for 50 More* fundraising campaign to raise \$50,000 for 50 years of Flying Arts. We hope you will help us be here for our regional and remote artists, educators and communities for another 50 years... at least!

## QUEENSLAND REGIONAL ART AWARDS

### STATEWIDE

The Queensland Regional Art Awards (QRAA) is Flying Arts' signature annual art awards for established and emerging artists living in regional and remote Queensland.

In 2022 Flying Arts' QRAA will not have a specific theme to address. Instead, we call upon artists to enter work which draws upon experiences and observations that reflect upon the past year.

The world as we know it has been rattled, our ways of making have been turned upside down, and for many the lens with which we see the world has been discoloured.

PAINT THE TOWN

The touring exhibition of the 2021 Queensland Regional Art Awards

Evoking the spirit of celebration, of all things jubilant, artists were invited to respond to the question – how do you celebrate? The result is a uniquely Queensland hyper-local response to the public, or sometimes intimately personal, ways and reasons we choose to celebrate.

2022 DATES

May - June 2022	Tablelands Regional Gallery, Atherton
July - August 2022	Banana Shire Regional Art Gallery, Biloela

DECADENCE

The touring exhibition of the 2020 Queensland Regional Art Awards

Decadence may invite notions of luxury and self-indulgence. It may evoke ideas of wanton excess or wastefulness, perhaps with a casual or deliberate disregard of consequence. Dependent on circumstance, personal definitions of decadence can shift quite suddenly. Artists were encouraged to explore the complex notion of decadence within their own communities and households across Queensland – both in times of shortage and in times of plenty.

FINAL DATES	
9 March - 1 May 2022	Rosalie Gallery, Goombungee

\*Decadence will travel to these locations accompanied by the sister exhibition, Our Perfect New World Project.

### A big idea to inspire future-facing art

Our Perfect New World Project is a Flying Arts Alliance initiative designed to support and encourage young artists in regional Queensland centres.

Young artists are provided with the exciting opportunity to develop new skills, techniques, thinking and writing strategies to create artworks under the guidance of accomplished arts practitioners, through schools and in communities, culminating in curated young people's exhibition *Our Perfect New World*.

9 March 2022 - 1 May 2022	Rosalie Gallery, Goombungee
25 February - 23 April 2022	The Court House Gallery, Cairns

This project is supported by the Queensland Government through Arts Queensland.
