

Regional Arts Fund Quick Response Grants – July Round 2021

Applicant	Project Location	Project Title	Project Description	Funding amount
Cindy Vogels	Southside, 4570	Space Girls Lift Off Music Mentoring Workshop and Performance	Space Girls Lift Off will be a music industry mentoring workshop and performance opportunity held at The Pavilion Conference and Reception Centre in Gympie. Participants will be teens and young adults aged 13 - 25 with specific emphasis on those identifying as female and diverse gender identity. Participants will be spending the day being mentored by industry professionals, culminating in a collaborative performance between participants and presenters, which will be delivered and promoted as part of Gympie Regional Council's RESET Gympie cultural program.	\$2,998.00
Garth Murgha	Cairns, 4870	Native Creations at CIAF 2021	Native Creations artists 'Yoongali' and 'Muka' from Babinda plan to exhibit their Native Creations art as an invited special guest exhibitor at Cairns Indigenous Arts Fair at the Cairns Convention Centre, and Tanks Art Centre. The project will support the artists in promoting their authentic handmade aboriginal art to a much wider audience and generate future sales distribution of our art so that they can maintain a 100% indigenous owned art business.	\$2,250.00
ROBYN ADAMS	Blackall, 4472	YALLEROI - Small Village, Big Story	The Yalleroy Story Project (TYSP) will research and articulate its deeper, nuanced chronicle. Contemporary touchstones are resplendent therein, and all this information will form part of the words, photographs and illustrations that will be collated together into two large signs for the soon-to-be rest stop area. This project will research, collate, and write this heritage, before first-hand recollections pass, and complete the draft for signage for soon-to-be-completely bituminised Jericho Road's rest stop.	\$2,750.00
